

January FFA Meeting

January 25, 2016

There were 7 members at the meeting.

Taylor Paul called the meeting to order at 4:30pm.

The recruitment committee discussed the 8th Grade Parent Night that would be happening tonight in the Cafeteria. The students all learned looked over the flyers that would be handed out and discussed the topics they should make students and parents aware of.

The results of the Collin County Livestock Show were discussed.

The Ag Promotion Committee discussed the upcoming CDE Teams. A sign up sheet was written on the dry erase board for Horse, Land, Wildlife, Milk Quality, and Vet Science. Students signed up for their favorite.

The meeting was adjourned at 5:27pm. The members staying for the 8th Grade night then went to grab dinner and came back for the Parent Night. We had a great turn out for this with a lot of students interested in joining Ag Classes/FFA next year.
